## **Antone Crasto named CEO of Tower Physician Solutions**

With industry-leading experience as a foundation, Antone Crasto's inspired and grounded leadership style will aid in the company's growth and expansion.

We have some exciting news! Antone Crasto, a respected leader in the medical practice management field with an extensive background in new business strategies has recently been appointed to the role of CEO.

“Antone’s insightfulfulness, cutting-edge ideas and adept problem solving skills make him the perfect fit for such a prominent position at Tower. His comprehensive understanding of the medical practice management industry will no doubt bring forth newfound successes as we move forward together.” says Brian O’Dea, CEO of NANI.

**Tower Physicians Solutions is a provider of nephrology-specific medical practice management services, a subsidiary of Nephrology Associates of Northern Illinois and Indiana, NANI.**

NANI physicians have cared for patients with compassion, experience and innovation in kidney disease since 1976. The nephrology practice operations, billing and strategy professionals which support NANI are now leveraged to provide the same resources to other practices through Tower Physician Solutions.

Physicians nationwide trust Tower to increase their billing revenue, help with their business strategy, and use the latest industry knowledge to achieve greater success.

With Antone Crasto’s leadership, we look forward to providing exceptional service and support to our physician partners.
