Revenue Cycle Management

Nephrology TODAY

Nephrology Billing... learn from Tower's latest podcast

Meet Helena Cohan, Director of Revenue Cycle Management at Tower Physician Solutions. Helena's extensive career has focused on the medical practice and healthcare industry. Having managed the business operations of multiple practices, Helena comes to us with a strong sense of leadership and knowledge in revenue cycle management. Helena leads a team of experts in the revenue cycle initiatives related to billing and coding activities of physicians and their practices. Helena and her team collaborate with medical group administrators to drive continuous improvements to practice performance.

[Listen](#) as Helena discusses ways her team can help clinicians stay focused on patient care. Learn what sets Tower apart and how they can impact the bottom line of a medical practice. Learn more about our [Billing, Coding & Collections services!](#)
